Re: Women's Bar Association of Illinois' ("WBAI") Judicial Evaluation

Dear Judge Mikva,

Based on the information contained in your application as well as the investigation and interview conducted by the Alliance of Bar Associations for Judicial Screening ("the Alliance"), the WBAI finds you **Recommended** for retention in the Circuit Court. This evaluation is effective for four years.

Please note that this evaluation does not constitute an "endorsement" of your candidacy by the WBAI and you are precluded from referring to it as such because the WBAI does not endorse candidates for judicial office. If it is determined that you are referring to this evaluation as an "endorsement" by the WBAI in any campaign for political or judicial office, the WBAI reserves the right to change your evaluation to "not recommended" and to publish the change in your evaluation.

If you have any questions regarding this evaluation, please contact the WBAI at 312-341-8530.

Sincerely,

WBAI Public Office Committee
